

NORTHBRIDGE UNIVERSITY (FICTIONAL - DEMO DOCUMENT)

Graduate Admissions Office

MSc Data Science - Application Requirements, September 2027 intake

Application deadline: all materials must be submitted by 15 January 2027.

Required documents

1. Official academic transcript. Applicants must submit an official transcript from every post-secondary institution attended, showing all courses and grades.
2. Proof of English proficiency. Applicants must submit an Academic English Test (AET) score report with an overall score of at least 6.5 and no section below 6.0. The score report must still be valid on the application deadline.
3. Two letters of recommendation. At least one letter must come from an academic referee.
4. Personal statement of no more than 1,000 words explaining your motivation for the programme.
5. Copy of a valid passport (photo page).
6. Curriculum vitae (CV) listing education and work experience.

Scholarship (optional)

7. Applicants who wish to be considered for the Northbridge Excellence Scholarship may submit a financial statement showing household income. This document is optional.

General information

The Graduate Admissions Office reviews complete applications only. Application fees are waived for the 2027 intake. Decisions are released in March 2027.

This is a fictional document created for the PaperTrail demo. Northbridge University does not exist.
